Unqualified Opinion
In our opinion, in all material respects:

a) The description presents GitGuardian SAS's system that was designed and implemented throughout the period January 4, 2025 to July 4, 2025 in accordance with the description criteria.

b) The controls stated in the description were suitably designed throughout the period January 4, 2025 to July 4, 2025, to provide reasonable assurance that GitGuardian SAS's service commitments and system requirements would be achieved based on the applicable trust services criteria, if its controls operated effectively throughout the period, and if the subservice organization and user entities applied the complementary controls assumed in the design of GitGuardian SAS's controls during that period.

c) The controls stated in the description operated effectively throughout the period January 4, 2025 to July 4, 2025, to provide reasonable assurance that GitGuardian SAS's service commitments and system requirements were achieved based on the applicable trust services criteria, if the complementary subservice organization and complementary user entity controls assumed in the design of GitGuardian SAS's controls operated effectively throughout the period.

Prescient Assurance LLC confirms SOC 2 Type 2 compliance by GitGuardian SAS in accordance with the AICPA's Trust Service Criteria for Security, Confidentiality and Availability.
